July 2012

Preparation and Funding

This Plan was prepared by the Oxford Region Multimunicipal Comprehensive Plan Planning Committee with technical assistance provided by the Chester County Planning Commission. Funding was provided, in part, through a grant from the Vision Partnership Program sponsored by the Chester County Board of Commissioners. The Plan has been prepared in conjunction with the principles of the County's policy plan, *Landscapes2*, as a means of achieving greater consistency between local, regional, and county planning programs.
